ADDENDUM No. 3 TO THE PREQUALIFICATION DOCUMENT

Procurement process: Engineer/Supervision of the Design and Build Works Contracts for Section 3 – Paraćin–Trupale–Medjurovo within the framework of the Belgrade–Niš Railway Modernization Project. The identification number of the Procurement Process is: EIB-GtP/2025/ENG/S3

The Client hereby issues this Addendum No. 3 to the Prequalification Document. This Addendum shall form an integral part of the Prequalification Document and shall be read in conjunction with it.

The purpose of this Addendum is to extend the deadline for the receipt of requests to participate and to amend the technical and professional capacity requirements of the Contract Notice.

1. Contract Notice EIB-GtP/2025/ENG/S3, Clause IV.2.3) Deadline for receipt of requests to participate

The fifth and sixth paragraph is amended to read:

“Deadline for receipt of requests to participate: **05/11/2026. in 12:00** (UTC+01:00) Central European Time.

Public opening of submitted EoI: **05/11/2026. in 13:00** (UTC+01:00) Central European Time (CET); Address: Nemanjina 6, 11000 Belgrade, office 102.”

2. Contract Notice EIB-GtP/2025/ENG/S3, Clause III.1.3) Technical and professional capacity

Points a), b), c) and d) and the general provision following them are amended to read:

“a) During the previous ten (10) years, the candidate (individual legal entity or consortium altogether) must have successfully completed at least two (2) contracts for the supervision of works on the **construction and/or** modernization and/or upgrading of existing single-track or double-track railway lines with a total length of at least one hundred (100) km, for speeds of at least 120 km/h, in accordance with EU TSI standards and certified by NoBo (INF and ENE subsystems), including review and approval of the design documentation prepared by the Contractor and/or the Employer. At least one of the submitted contracts (for references) must be for the supervision of works on the modernization and/or upgrading of an existing single-track or double-track railway line with a minimum length of **forty (40) km**.

b) During the previous ten (10) years, the candidate (individual legal entity or consortium altogether) must have successfully completed at least two (2) similar contracts, where “similar” means supervision services for works on i) the modernization and/or upgrading of existing single-track or double-track railway lines, including execution of works, and review and approval of the design documentation prepared by the Contractor and/or the Employer, in accordance with FIDIC contract conditions, or ii) in other types of linear infrastructure projects with similar contract conditions. The total value of work for which the supervision services were provided (for all submitted references) must be at least 800,000,000 EUR (eight hundred million euros). At least one of the submitted **works** contracts (for references) must have a value of at least 400,000,000 EUR (four hundred million euros). In addition, the total value of the supervision services provided under the submitted references must be at least 20,000,000 EUR (twenty million euros), and at least one of the submitted contracts must have a supervision services value of at least 12,000,000 EUR (twelve million euros); **the same reference contracts may serve both value tests.**

c) During the previous ten (10) years, the candidate (individual legal entity or consortium altogether) must have successfully completed at least one (1) contract for the supervision of construction works on a i) railway tunnel, or ii) linear infrastructure tunnel, with a minimum length of two (2) km, including services covering the review of the design for construction (or a similar type of design) and supervision

of the construction of the structure executed in accordance with FIDIC conditions of contract or other similar conditions of contract. For a double tube tunnels, each tube will be counted separately.

d) The number of permanent employees of the candidate (either as an individual company or consortium altogether) currently working in areas related to this contract (FIDIC, earthworks, infrastructure, tunnels, bridges, superstructure, signaling and telecommunications, mechanical engineering, electrical engineering, traffic, claims management, quantity surveying, health and safety, environmental protection) must be at least 40 for each of the last three years (2023, 2024 2025).

The Candidate must demonstrate to have a minimum of **40%** participation in each of the project(s) brought as reference listed under (a), (b) and (c). References of all such contracts as listed above implemented at any moment during the reference period shall be submitted. “At any moment during the referenced period” means that the contracts the candidate refers to could have been started at any time during the indicated period, but they have been fully or substantially completed, supported by certificates of completion, employer/client references, or other documentary evidence confirming satisfactory performance. Candidates are allowed to refer to projects either competed within the reference period (although started earlier) or substantially completed.”

All other provisions of Clause III.1.3) remain unchanged.

3. Clarifications

Replies to the requests for clarification received by the Contracting Authority are published on the Contracting Authority’s website https://arhiva.infrazs.rs/medjunarodne-nabavke/ together with this Addendum No. 3.

For information, and as amended by Addendum No. 1, Section V.2) of the Contract Notice provides that requests for clarification may be submitted no later than 21 days before the deadline for the submission of requests to participate indicated in Section IV.2.3), and that clarifications will be published at the latest 11 days before that deadline.

End of Addendum No. 3

4. General

Except as expressly amended by this Addendum No. 3, all other provisions of the Prequalification Document remain unchanged and in full force and effect.

In the event of any inconsistency between this Addendum No. 3 and the Prequalification Document, the provisions of this Addendum No. 3 shall prevail.

Belgrade, 12/10/2026
